Good Evening!

Would you please put the  
Vesper Times book in  
place of the July 3rd  
book at the table near  
"Mint of Vesper"  
Andrasta and I are  
working on a scenerio for  
the Embargo that we will  
submit soon via email.

Thank you for this  
opportunity. This is  
proving to be alot of fun  
as I hoped it would be!!!
